

Vernal Family History Newsletter

Family History Center Closed for two weeks.

The FHC will be closed the middle two weeks of August as the Temple takes two weeks for cleaning. We close then also so temple workers who also do a shift in the FHC will be able to get away during that time, without having the FHC shift requirement.

Special training from FamilySearch to continue

Special training done by FamilySearch in Salt Lake City is in full swing to our interested staff who have expressed a desire for further training in the family history field.
