

Advancing Your Polish Research Using Polish Websites

Sonja Hoeke-Nishimoto AG®
Germanic/Polish Research Consultant FamilySearch

The websites listed here are only a small sample of the useful sites that can be found to help you with your Polish research. It was not possible to give all the sites for each category, but rather to give you general ideas of what to look for as you use the Internet to further your research and knowledge of your ancestors' homeland. Only a portion are discussed in the class.
